CHANGING FUTURES

7 February 2022

Dear Parents and Caregivers,

Following Premier McGowan's announcements today we have new directives advised at a WebEx meeting at 3:30 pm that take effect immediately. The critical one is that parents are now unable to enter classrooms at all, so all classes will now be drop and go from tomorrow. You are allowed on site, the directive is about gathering in groups and minimising risk. Also, please don't gather outside in groups. Mask wearing rules remain the same. I will provide more detail in a letter about parent meetings and other changes tomorrow. Thanks for you cooperation.

Regards,

Shelley Blakers
Principal
